We continued sending our weekly Briefly Stated e-blasts, which keep the bi-state creative community up to date on sector news, learning opportunities, and arts advocacy initiatives. More than 1,750 (45%) readers opened the e-newsletter each week.

For the fourth year, we managed the East St. Louis re-granting program, a partnership with the Illinois Arts Council. Project grants totaling \$15,000 were made to cultural organizations and individual artists.
